LOCAL ENTREPRENEURS SHOWCASE TALENTS AT POP-UP MARKET

We wrapped up Women's Month with an exciting celebration at the recently opened Mompoti Mall, hosting our 2nd annual Pop-Up Market in partnership with SEDA, the Department of Social Development, and the Office of the Premier.

The market featured 46 SMMEs and corporations from the Dr. Ruth Segomotsi Mompoti District, showcasing their products, services, and talents. Local businesses actively participated by providing services and resources that contributed to the event's success. Waterloo Solar set up a support desk to assist with company profile updates, working closely with our implementation partners, Leaba Consulting, and other stakeholders to ensure a seamless experience.

"I have been trying to sell a lot of stuff online, but this platform has helped do that in a matter of hours" - Aubrey Mmreki, entrepreneur.

PRIMARY SCHOOL SPORTS LEAGUE COME TO AN END

The Waterloo Primary School League came to an end in September with exciting playoff games, organised in collaboration with the Department of Education, Arts, Culture, Sports and Recreation, the Naledi Local Municipality Sports Unit, the Naledi Local Football Association, RISE Chess Organization, and the Local Netball Federation.

This was the first-ever Waterloo Solar Primary Schools Sports Programme playoffs, with learners from Retlaadira, Thuto-Lesedi, Moeti, Kismet, Colinda, Floradene, Tshiamelo Independent, Tigerkloof, and Mokgosi Primary Schools participating.
