WATERLOO SOLAR

Our Autism Awareness Workshop, in partnership with Autism SA, is aimed at empowering parents of children with autism with essential tools for support. Parents have been provided with methods to improve communication skills and foster positive behavioural support.

Our Primary Schools Sports Development programme focuses on enhancing the skills of local coaches and volunteers by providing specialised training in netball, basketball, and cricket. Through expert-led coaching clinics, participants gain practical skills and coaching techniques.

10 local SMMEs have been equipped with digital marketing, budgeting, and auditing skills through a Digital Marketing and Financial Management masterclass. These entrepreneurs have received resources to improve their financial and psychological understanding of money.
